## KENYA

With the help of Emily Spence, Steve Miller has finally been able to make contact with someone (Richard Cox) on the ground in Kenya who can help us help these kids. Pastor Augustus emails Steve every week and they have developed a friendship over the course of 2 years. Please consider reading up on the programs Richard has set up for us to give at [reachministriesmissions.org/complete-projects/ekeonga-nutritional-feeding-program](http://reachministriesmissions.org/complete-projects/ekeonga-nutritional-feeding-program) where they are in need of raising \$1,500US/month to feed these orphaned children or [reachministriesmissions.org/complete-projects/ekeonga-school-water-project-phase-i](http://reachministriesmissions.org/complete-projects/ekeonga-school-water-project-phase-i) where they need \$480US to get this project underway. Always feel free to talk to Steve Miller about Kenya if you are curious about Augustus and the orphans he cares for.

- **Creativity and courage** in developing outreach ministries in our communities
- The millions of people who are impacted by the on-going war in Ukraine.
- **Afghan Christians** who are trying to make their way to countries of safety

**Rest and rejuvenation** for our pastors and church leaders this summer

### Praise From:

*Villa Nueva Church, Bolivia*

*Pastor Abe Harder*

What a beautiful time of celebration! On July 24, we had the privilege to celebrate baptism in Villa Nueva. Four young people from four different Mennonite colonies / communities, were baptised upon their confession of faith in Jesus Christ. It was great to hear the testimonies of these young people from very different faith communities and to see them commit to following Jesus together.
