KADESH CORNER

Hello Churches,

We are half done summer our summer season. We move back into our second session of Ten - Twelve weeks. This week we have Lizzie Rowan as our speaker. Lizzie has served in many roles at Camp Kadesh over the last number of year and now has a full time youth ministry position at Forest Grove Church. This is also a new session of our Leader in Training Program.

Please pray that God would speak to campers through Lizzie and our staff this week

We are always looking for volunteers in various spaces. We have a number of projects around our facilities that Chris our Site Manager would love to have help to accomplish. These projects continue to be updated on our website at <https://www.campkadesh.com/work-projects> **Please pray for the right people to see these posts and respond.**

There are a number of ways that Camp Kadesh subsidizes campers. Through various options of fees for camp and through and application for additional subsidy. Between these various types of subsidy we are looking to raise \$50,000 specifically to offset the operational costs of camp that are displaced by subsidies. More information can be found on our website at campkadesh.com/give **Please pray that we continue to meet our operational needs.**
